

To Register for testing, please review all of the steps below before starting the process:

- Go to: TrackbyNovir.com
- Click the **Sign Up** link (highlighted in red):

Fill in the requested information, agree to the consent terms, and respond to some recent health questions - there will be a few different screens; you will get a "Success" pop-up once you finish the registration process.

The last question on the first page will ask for your **Organization Code** the code is unique to each school, please ensure you enter the code for the school you are affiliated with or your student attends. **Holy Spirit's organization code is: 2796**

Parents/Guardians, please register with your name and contact information first and then click the **+ Add a Household Member** (highlighted in red) link to register all of your students - This will ensure you are notified when their results are entered.
